Dear Rafting and Sportfriends,

This year the official International Austrian Rafting Competition and part of the European Cup will take place on the river Salza in Styria at the weekend from 21th-23th April 2017. The event is an official competition of International Rafting Federation's (IRF) Euro Cup series, and the Austrian Canoe Association OKV (Österreichischer Kanuverband).

The championship organiser Rafting Sport Salzatal invites all Rafting friends to this event.

The category R4 will be organised at this championship and the results are part of the European Cup 2017.

Because of the viability of rooms we request you to contact the tourism office as soon as possible (info@tourismuswildalpen.at).

The raft boots are provided by the organizer. For your questions, please contact us per e-mail.

Best regards
Anton Graf und Verena Alber
