Points awarded to a Team are calculated as a percentage (%) of the maximum points available, rounded to the nearest whole number.

Maximum Points	Points are calculated as follows:	
Downriver = 350	1st place = 100%	5th to 18th place = less 3% for each place
Slalom = 350	2nd place = 92%	19th to 32nd place = less 2% for each place
H2H = 200	3rd place = 86%	33rd to 42nd place = less 1% for each place
Sprint = 100	4th place = 82%	43rd place and down = 1% of the maximum points
