

# GTE Instructor update

## Costa Rica 2020

### **An Invitation to all IRF Instructors**

As the world slowly starts to move again. The IRF GTE realise that we need to keep our instructors at the forefront of global raft guide training. The IRF GTE would formally like to invite all IRF Instructors & Assessors to join a complementary GTE Instructor update in Costa Rica from 30th September -2nd October 2020 at the Sarapiquí adventures base on the banks of the Sarapiquí river.

The Update will allow us to share current best global practice within the rafting industry & to update all instructors to the current IRF GTE standards.

The Update is free to attend for any IRF Instructor or assessor although donations towards the cost of running the update will be greatly appreciated to cover the costs of Fuel, drivers & travel expenses. The update will be run by Mark Hirst.

**Where :** Sarapiquí adventures Costa Rica

**When:** 30th September - 2nd October 2020

**Bookings:**
