### Professional Experience:

- Police Inspector, Department for police cooperation with INTERPOL and EUROPOL, Mol of Republic of Srpska. Member of the police force since 1996.
- Timing and results scoring at sports competitions.

### Summary Statement:

Throughout my life, I have always enjoyed engaging in rafting as a sport and recreation activity especially since 2006 when I become an IRF judge. I have always had a keen interest and have felt very passionately when I participated in IRF rafting events as judge, organisers, or timing team.

In the future, I want to participate and work in the IRF with the same passion and desire, regardless of the field and the function.
