

Guide Training Education

IT STARTS HERE!

Have you ever thought you might like working in the outdoors industry or dreamed of taking your friends and family down a river in your own raft but don't know where to start?

It starts here!

Build a skill set for a lifetime on the water!

OVERVIEW

PDX Rafting is proud to offer an International Rafting Federation approved curriculum.

Training to help you learn the basics and beyond.

Whether you want to learn to safely navigate rivers in your own raft or find work in the outdoors industry as a guide. Learn the ropes while you gain confidence through classroom lessons and on-water experience.
