Host: Albania Rafting Group

Instructor: Roy Gergely Környei

As a former athlete grown up in a kayak and always following the way of the water gathered 30 years experience in kayaking (flatwater, sea and whitewater), canoeing, rafting as guide, guides' instructor and triplader even at the Mighty Zambezi. Paddling is my life and keeping the crew guides and customers - safe and give them unforgettable moments are the main goals through my job.

Requirements for the workshop (for the IRF licence):

Valid first aid and CPR certificate. less than three years old

A log book of experience, preferably signed by a trip leader or operations manager of the company

Personal whitewater equipment (see above)

Application deadline: 10th of March
